Tuition Payments: Students will stay in the same classroom with the same teacher each year September – mid-June or until they are promoted to the next classroom. The Academic Year tuition is calculated based on 40 weeks of school and broken up into equal installments due at registration and then on the first of the month September-May. This ensures your payment remains predictable every installment, regardless of whether a month has a holiday break or an extra fifth week of classes.

Other Fees: There is a \$150 Registration fee due with the Enrollment Contract. There is an hourly rate of \$25/hour for Toddlers and \$20/hour for Preschool/Kindergarten if your child stays beyond their scheduled time (prior to closing time). This should be for occasional purposes only and scheduled ahead of time for staffing purposes.

Summer Camp runs for 10 weeks following the Academic. This program runs weekly and there is an 8-week minimum for Toddlers and a 6-week minimum for Preschool and older to participate. All Summer Camp tuition is due weekly. There is a \$150 Activities fee for all students for in-house field trips.
